

Greenhouse

Do you want to explore climate entrepreneurship?

Start with us today! Climate-KIC offers a pre-incubation programme to starting entrepreneurs who have a climate business idea and the motivation to make it happen. The Greenhouse offers tailored workshops, a community of climate entrepreneurs, and support to develop your idea.

#climategreenhouse
climate-kic.org/greenhouse

Climate-KIC is supported by the EIT,
a body of the European Union

The Greenhouse provides

Up to 6 months support and up to €2500 in funding

Professional business coaching

Access to workspace

Workshops to develop your business model

Access to a motivated and dynamic community of likeminded individuals

Ways to measure your climate relevance

Open to anyone

The Greenhouse programme is offered in France, Hungary, Switzerland, Germany, the Netherlands, Latvia, and the Nordics. Our candidates come from a variety of backgrounds. We are accepting both students and professionals and offer equal opportunities to all nationalities, gender and age groups. Teams of two or more are preferred. For us, the idea and the right motivation is what counts.

Apply now!

Apply between October 1st and November 15th for the Greenhouse starting in January. Applicants with Greenhouse potential are interviewed and notified of their result in the six weeks after the application deadline. Apply at www.climate-kic.org/greenhouse
