

**Formatting (Design) and Submission Rules for the Scientific Journal of RTU Research
Centre for Engineering History (RCEH)
«History of Engineering Sciences and Institutions of Higher Education»**

- The article and its illustrations must be submitted electronically for publication in the RCEH Scientific Journal – alida.zigmunde@rtu.lv – **until 14 January of the current year.**
- The article must be submitted in MS Word format, not exceeding 6000 words (~ 10–12 pages), appending summaries in Latvian (at the beginning of the scientific article) and English (each summary is 120–150 words) with 3–5 key words (concepts) and a short biography of the author with a maximum of 150 words, obligatorily indicating contacts (address, e-mail, telephone).

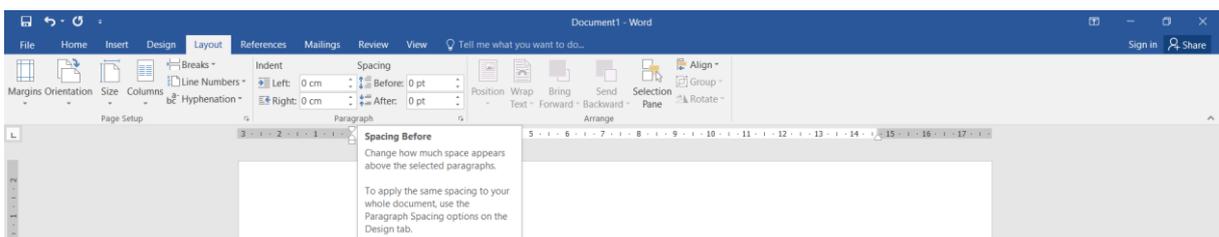

1. Page layout

Top: **2 cm**; bottom: **2 cm**; right: **2 cm**; left: **3 cm**

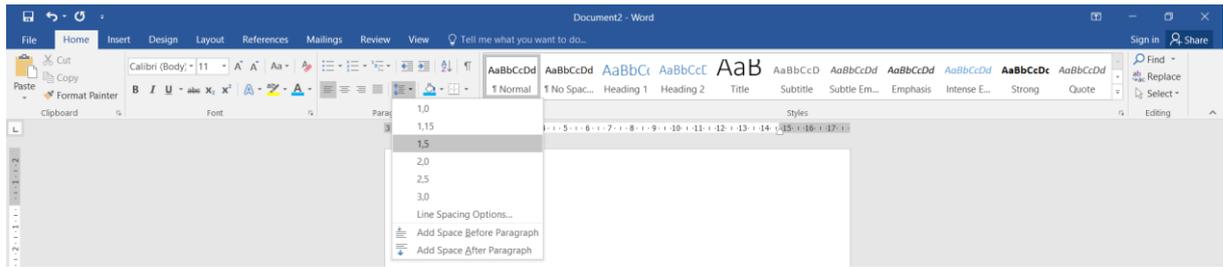

2. Text formatting (design)

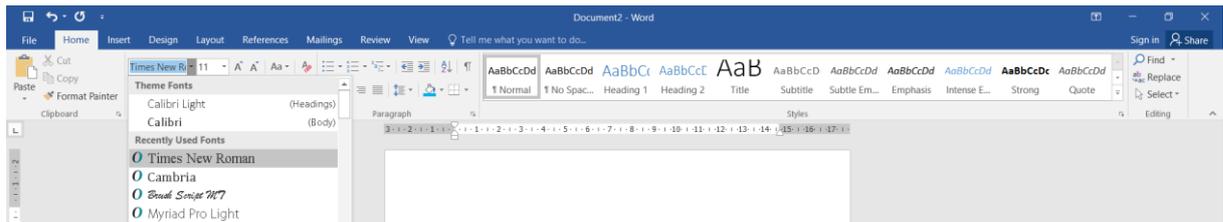

Line spacing (**before – 0, after – 0**)

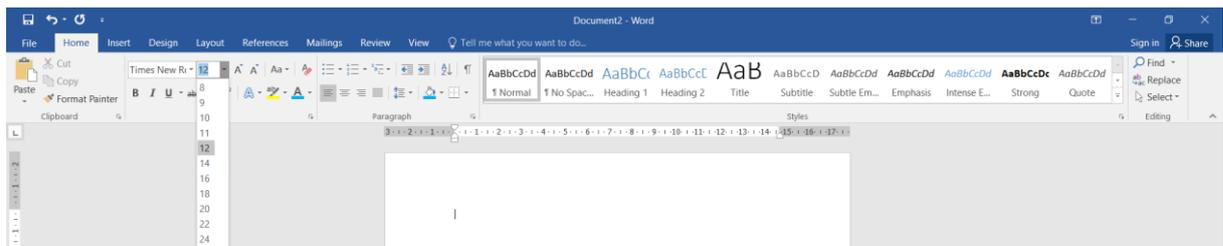

Paragraph: 1.5 points

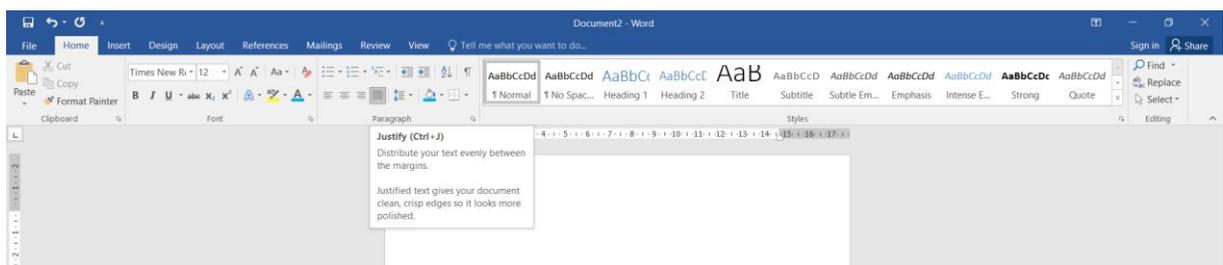

Font: Times New Roman

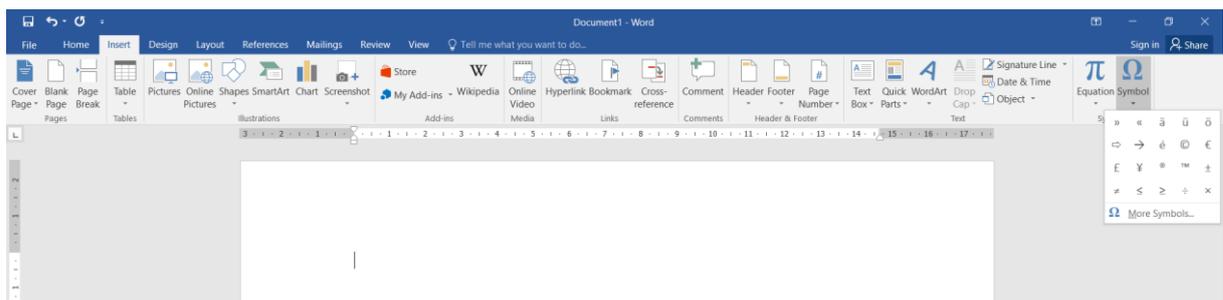

Font size: 12 points

Alignment: **justify** (for whole text; titles, images, tables, etc. c. names do not need to be centred)

Quotation marks used in the text: «»

The **dash** used in the text: long – (not hyphen: -)

Hyphen (if one concept is denoted by several words) not equal to dash: Vaira **Vīķe-Freiberga**, **bench-gel coating**.

Title (under it – name, surname and representation of the authors):

Riga Latvian Society

ALĪDA ZIGMUNDE, MAIJA POZEMKOVSKA

Riga Technical University, Riga Stradiņš University

Title: **bold, 12 points**

Name, Surname: **Caps Lock, bold, 12 points**

Representation: **12 points, regular**

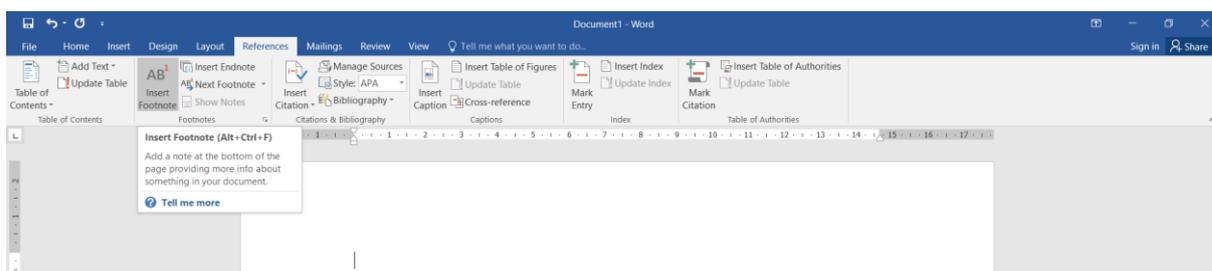

Do not put a dot (full stop) after the headings and subheadings!

Slash use:

- if the concept is denoted by the same word on both sides of the slash, the space before and after the slash need not be used: **director/rector**;
- if the concept is denoted by several words on both sides, the space before and after the slash must be used: **Riga Polytechnicum / Riga Polytechnic Institute**.

Decimal writing (with meaning from–to): **1910–1912**.

Notes and explanations should be footnoted when selecting **References – Footnote**.

3. Image formatting (design)

The image is placed in the text and numbered sequentially.

Iļze Gudro (see Figure 1) is the Director of the RTU Research Centre for Engineering History.

If the image is on another page, it must be specified (see Figure 1, p. x).

Figure 1. Ilze Gudro, Director of RCEH (2016).

The dot (full stop) behind the captions of the pictures is put; including date.

Image references are placed under the section «Sources of Illustrations» and are numbered separately from the text references.

Images used in the text should be sent in a common file named figure_1, figure_2 – as they are used sequentially in the article. Image resolution: 300 dpi or size 5 mb. The picture must be clear, without fog.

4. Table formatting (design)

The table is placed in the text next to a specific reference, numbered consecutively. If the table is on another page, this must be indicated (see Table 1, p. xx).
